

Join the consultation

A chance to express your views
on the refreshed and revised
national Compact

To support the consultation on the revised national Compact, a series of regional seminars is taking place during September 2009. The seminars will focus on a number of themes and will allow people to discuss and make their views known to the Office of the Third Sector and Compact Voice representatives. Each meeting will be chaired by one of Commission for the Compact's board members.

A consultation seminar is taking place on Wednesday 30 September 2009 at the Wellsprings Leisure Centre in Taunton. Organised by the Commission for the Compact and South West Forum, the regional voice of the voluntary and community sector, this seminar is aimed at organisations who see campaigning as an important part of their work.

Time 12.30pm (lunch and registration) to 4.00pm

This is your chance to make an important contribution to the consultation process. Your experience and expertise are vital to help consider the specific issues under discussion.
